# COVID-19 Free Goa

- In Jan-Feb, 2020, Goa was very vulnerable because of very high share of floating population, both domestic and foreign, with 8th busiest airport, especially during the tourist season.
- Acting **too early too quickly**, and as per GoI instructions with timely preventive action helped Goa in containing the Coronavirus.
- Unlike others, Goa went into **lockdown** mode from 22nd March, **well before** the detection of **the first case**.
- **21/01** - Started Issuing Health Advisories
- **28/01** - Isolation Ward Started
- **28/01** - 1st test suspect case sent for testing
- **30/01** - Mandating Health declaration
- **13/03** - declared COVID19 'Notifiable disease'.
- **14/03** - Closure of Cinema, pools, casino, spa
- **19/03** - Closing Pubs, Malls, schools,
- **20/03** - Banned heavy passengers vehicles.
- **22/03** - Janta-curfew with complete lockdown.
- **22/03** - Sealed borders
- **25/03** - **First Positive Case Detected**
- **25/03** - Created COVID-19 Hospital
- **29/03** - Started our own new lab
- **13/03** - Started House-to-House Survey
- **03/14** - Last (7th) Positive case reported
- **19/14** - 598 tests since 03/14, **All Negative**
- **19/04** - **All positive patients recovered**
