- Control room of district to inform all line departments. (Alert:Red warning for floods in ----- VP of ----- talukas, deploy manpower, materials and equipment for response).
- Control room of taluka to inform all link departments. (Alert:Red warning for floods in ----- VP of ----- talukas, deploy manpower, materials and equipment for response).
- DMC to alert preparedness message to public through social media, press release, SMS by TSPs and on AIR by DIPP
- (Template of alert to public :Red warning issued for floods in following areas
- ----VPof ---- taluka.
- ----VP of ---- Taluka.
- In flood plains of ---- River.
- Public to maintain high ground and not to enter into flood prone areas. Contact 0832-2794100 for any emergency)
- Deployment of rescue equipment by Dristhi, Coast guard, coastal police station, Department of fisheries
- Deployment of labour and machinery – VP, PWD

2. POST DISASTER

- Assessment of loss of animal life and crop loss with water receding
- Removal of carcass- municipality
- Health care monitoring by PHC
- Sanitation of drowned areas – By Local Bodies
- Processing of claims for compensation by Mamlatdars, through talathis and PWD
- Repair of bunds and sluice gates- WRD & tenant associations
- Restoration of electricity in affected areas- Electricity dept

3. Linkage with other resources – Resource mapping at IRDN portal.
Compensation and damage data entry at NDMIS portal,
Communication Plan, Dos and Don'ts – Taiyari me hai samajhdari
4. Limitation affecting the plan
5. Build back better
 - Site specific flood risk assessment of identified sites and preparation- like flood barriers. (by team of local govt)
 - Training of teams
 - Drills at site on flood response to be led by each Mamlatdar
 - Flood barriers, repairs of bunds
 - Signages at site showing flood prone area(same for all other local disasters) Local bodies

FIRE RISK MITIGATION PLAN, 2022

❖ PRE – FIRE EMERGENCY

Prevention & Mitigation.

A. Structural Design

1. The building code to be implemented. (by TCP Department)
2. Fire Safety compliance of building (Commercial, industrial) (by Fire Department).
3. Serviceability of fire equipment in Government buildings, (Estate Manager).

B. Equipments

1. Fire extinguishers
2. Smoke alarms
3. Inspection of the fire extinguishers and smoke alarms should be carried out once in every year.

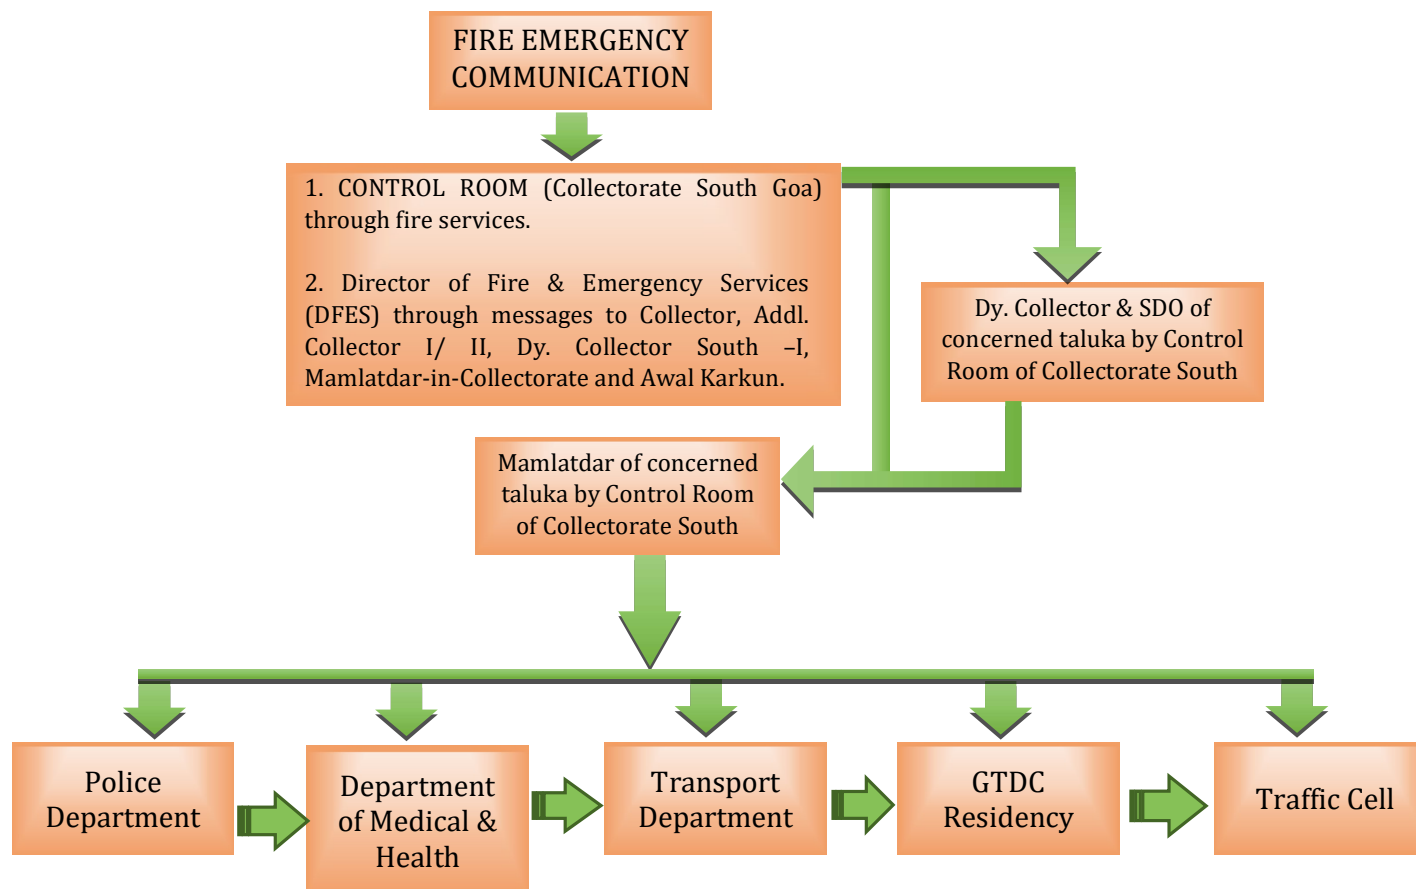

C. Community Readiness

Preventing panic in an emergency is as important as staying away from flames and fumes. Regular fire drills familiarize people with emergency evacuation methods at little cost. Nominate a fire safety officer in every building to ensure that this becomes standard operating procedure.

1. Calendar to be created by the Education department for the conduct of fire mock drills in association with the Fire Department.
2. Regular Fire drills (by fire department)

❖ DURING – FIRE INCIDENT

- Communication Plan

❖ RESCUE
